SPELLS KNOWN

Mage Hand*Bard Cantrip Conjuration DC 15 Spell Mod +7***1 Act.** **30 ft** **V,S** **1 min**

A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration or until you dismiss it as an action. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again. You can use your action to control the hand. You can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial. You can move the hand up to 30 feet each time you use it. The hand can't attack, activate magic items, or carry more than 10 pounds.

Prestidigitation*Bard Cantrip Transmutation DC 15 Spell Mod +7***1 Act.** **10 ft** **V,S** **Up to 1 hr**

This spell is a minor magical trick that novice spellcasters use for practice. You create one of the following magical effects within range: • You create an instantaneous, harmless sensory effect, such as a shower of sparks, a puff of wind, faint musical notes, or an odd odor. • You instantaneously light or snuff out a candle, a torch, or a small campfire. • You instantaneously clean or soil an object no larger than 1 cubic foot. • You chill, warm, or flavor up to 1 cubic foot of nonliving material for 1 hour. • You make a color, a small mark, or a symbol appear on an object or a surface for 1 hour. • You create a nonmagical trinket or an illusory image that can fit in your hand and that lasts until the end of your next turn. If you cast this spell multiple times, you can have up to three of its non-instantaneous effects active at a time, and you can dismiss

Vicious Mockery*Bard Cantrip Enchantment DC 15 Spell Mod +7***1 Act.** **60 ft** **V** **Inst**

Choose a creature you can see. If it can hear you, it must pass a Wisdom save or take 1d4 psychic damage and have disadvantage on its next attack roll before the end of its next turn.

The damage increases by 1d4 when you reach 5th, 11th, and 17th level.

Charm Person*Bard Level 1 Enchantment DC 15 Spell Mod +7***1 Act.** **30 ft** **V,S** **1 hr**

You attempt to charm a humanoid you can see within range. It must make a Wisdom saving throw, and does so with advantage if you or your companions are fighting it. If it fails the saving throw, it is charmed by you until the spell ends or until you or your companions do anything harmful to it. The charmed creature regards you as a friendly acquaintance. When the spell ends, the creature knows it was charmed by you. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st. The creatures must be within 30 feet of each other when you target them.

Cure Wounds*Bard Level 1 Evocation DC 15 Spell Mod +7***1 Act.** **Touch** **V,S** **Inst**

A creature you touch regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d8 for each slot level above 1st.

Hideous Laughter*Bard Level 1 Enchantment DC 15 Spell Mod +7***1 Act.** **30 ft** **V,S,M** **Conc, 1 min***Tiny tarts and a feather that is waved in the air*

A creature of your choice that you can see within range perceives everything as hilariously funny and falls into fits of laughter if this spell affects it. The target must succeed on a Wisdom saving throw or fall prone, becoming incapacitated and unable to stand up for the duration. A creature with an Intelligence score of 4 or less isn't affected. At the end of each of its turns, and each time it takes damage, the target can make another Wisdom saving throw. The target has advantage on the saving throw if it's triggered by damage. On a success, the spell ends.

Sleep*Bard Level 1 Enchantment DC 15 Spell Mod +7***1 Act.** **90 ft** **V,S,M** **1 min***A pinch of fine sand, rose petals, or a cricket*

This spell sends creatures into a magical slumber. Roll 5d8; the total is how many hit points of creatures this spell can affect. Creatures within 20 feet of a point you choose within range are affected in ascending order of their current hit points (ignoring unconscious creatures). Starting with the creature that has the lowest current hit points, each creature affected by this spell falls unconscious until the spell ends, the sleeper takes damage, or someone uses an action to shake or slap the sleeper awake. Subtract each creature's hit points from the total before moving on to the creature with the next lowest hit points. A creature's hit points must be equal to or less than the remaining total for that creature to be affected. Undead and creatures immune to being charmed aren't affected by this spell. At Higher Levels. When you cast this spell using a

Enthrall*Bard Level 2 Enchantment DC 15 Spell Mod +7***1 Act.** **60 ft** **V,S** **1 min**

You weave a distracting string of words, causing creatures of your choice that you can see within range and that can hear you to make a Wisdom saving throw. Any creature that can't be charmed succeeds on this saving throw automatically, and if you or your companions are fighting a creature, it has advantage on the save. On a failed save, the target has disadvantage on Wisdom (Perception) checks made to perceive any creature other than you until the spell ends or until the target can no longer hear you. The spell ends if you are incapacitated or can no longer speak.

Suggestion*Bard Level 2 Enchantment DC 15 Spell Mod +7***1 Act.** **30 ft** **V,M** **Conc, 8 hrs***A snake's tongue and either a bit of honeycomb or a drop of sweet oil*

You suggest a course of activity (limited to a sentence or two) and magically influence a creature you can see within range that can hear and understand you. Creatures that can't be charmed are immune to this effect. The suggestion must be worded in such a manner as to make the course of action sound reasonable. Asking the creature to stab itself, throw itself onto a spear, immolate itself, or do some other obviously harmful act ends the spell. The target must make a Wisdom saving throw. On a failed save, it pursues the course of action you described to the best of its ability. The suggested course of action can continue for the entire duration. If the suggested activity can be completed in a shorter time, the spell ends when the subject finishes what it was asked to do. You can also specify conditions that will trigger a special

	Prestidigitation <i>(reverse)</i> such an effect as an action.	
Suggestion <i>(reverse)</i> activity during the duration. For example, you might suggest that a knight give her warhorse to the first beggar she meets. If the condition isn't met before the spell expires, the activity isn't performed. If you or any of your companions damage the target, the spell ends.		Sleep <i>(reverse)</i> spell slot of 2nd level or higher, roll an additional 2d8 for each slot level above 1st.

<p>Fear</p> <p>Bard Level 3 Illusion DC 15 Spell Mod +7</p> <p>1 Act. Self V,S,M Conc, 1 min</p> <p>A white feather or the heart of a hen</p> <p>You project a phantasmal image of a creature's worst fears. Each creature in a 30-foot cone must succeed on a Wisdom saving throw or drop whatever it is holding and become frightened for the duration. While frightened by this spell, a creature must take the Dash action and move away from you by the safest available route on each of its turns, unless there is nowhere to move. If the creature ends its turn in a location where it doesn't have line of sight to you, the creature can make a Wisdom saving throw. On a successful save, the spell ends for that creature.</p>	<p>Hypnotic Pattern</p> <p>Bard Level 3 Illusion DC 15 Spell Mod +7</p> <p>1 Act. 120 ft S,M Conc, 1 min</p> <p>A glowing stick of incense or a crystal vial filled with phosphorescent material</p> <p>You create a twisting pattern of colors that weaves through the air inside a 30-foot cube within range. The pattern appears for a moment and vanishes. Each creature in the area who sees the pattern must make a Wisdom saving throw. On a failed save, the creature becomes charmed for the duration. While charmed by this spell, the creature is incapacitated and has a speed of 0. The spell ends for an affected creature if it takes any damage or if someone else uses an action to shake the creature out of its stupor.</p>	<p>Tiny Hut (ritual)</p> <p>Bard Level 3 Evocation DC 15 Spell Mod +7</p> <p>1 min Self V,S,M 8 hrs</p> <p>A small crystal bead</p> <p>A 10-foot-radius immobile dome of force springs into existence around and above you and remains stationary for the duration. The spell ends if you leave its area. Nine creatures of Medium size or smaller can fit inside the dome with you. The spell fails if its area includes a larger creature or more than nine creatures. Creatures and objects within the dome when you cast this spell can move through it freely. All other creatures and objects are barred from passing through it. Spells and other magical effects can't extend through the dome or be cast through it. The atmosphere inside the space is comfortable and dry, regardless of the weather outside. Until the spell ends, you can command the interior to become dimly lit or dark. The dome is opaque from the outside, of any color you choose, but it is transparent from the inside.</p>
<p>Freedom of Movement</p> <p>Bard Level 4 Abjuration DC 15 Spell Mod +7</p> <p>1 Act. Touch V,S,M 1 hr</p> <p>A leather strap, bound around the arm or a similar appendage</p> <p>You touch a willing creature. For the duration, the target's movement is unaffected by difficult terrain, and spells and other magical effects can neither reduce the target's speed nor cause the target to be paralyzed or restrained. The target can also spend 5 feet of movement to automatically escape from nonmagical restraints, such as manacles or a creature that has it grappled. Finally, being underwater imposes no penalties on the target's movement or attacks.</p>	<p>Geas</p> <p>Bard Level 5 Enchantment DC 15 Spell Mod +7</p> <p>1 min 60 ft V 30 days</p> <p>You place a magical command on a creature that you can see within range, forcing it to carry out some service or refrain from some action or course of activity as you decide. If the creature can understand you, it must succeed on a Wisdom saving throw or become charmed by you for the duration. While the creature is charmed by you, it takes 5d10 psychic damage each time it acts in a manner directly counter to your instructions, but no more than once each day. A creature that can't understand you is unaffected by the spell. You can issue any command you choose, short of an activity that would result in certain death. Should you issue a suicidal command, the spell ends. You can end the spell early by using an action to dismiss it. A remove curse, greater restoration, or wish spell also ends it. At Higher Levels. When you cast this spell using</p>	<p>Mislead</p> <p>Bard Level 5 Illusion DC 15 Spell Mod +7</p> <p>1 Act. Self S Conc, 1 hr</p> <p>You become invisible at the same time that an illusory double of you appears where you are standing. The double lasts for the duration, but the invisibility ends if you attack or cast a spell. You can use your action to move your illusory double up to twice your speed and make it gesture, speak, and behave in whatever way you choose. You can see through its eyes and hear through its ears as if you were located where it is. On each of your turns as a bonus action, you can switch from using its senses to using your own, or back again. While you are using its senses, you are blinded and deafened in regard to your own surroundings.</p>

	<p>Geas (reverse) spell slot of 7th or 8th level, the duration is 1 year. When you cast this spell using a spell slot of 9th level, the spell lasts until it is ended by one of the spells mentioned above.</p>
